COMMITMENT TO EQUITY

The Henry acknowledges the historical structures and social dynamics that have continuously oppressed communities of color and we acknowledge our part in institutional racism. We also acknowledge that we are situated on the land of the Coast Salish peoples.

We are actively committed to racial equity and to building a strong foundation of inclusivity and awareness in all we do. We value discourse that brings forward voices and positions that have been – and continue to be – oppressed. We do not tolerate hate speech or actions.

We recognize that we are in the process of embodying these values across our exhibitions, programs, and operations; this is our ongoing work.
