

Henry

Visitor Experience Representative (Part-Time)

ABOUT THE HENRY

The Henry Art Gallery was founded as Washington State's first art museum in 1926, on the principle that art stimulates inquiry, fosters knowledge, and builds healthy communities. Located on the campus of the University of Washington (UW), Seattle, the Henry is internationally recognized as a pioneer in the research and presentation of contemporary art. POSITION PURPOSE

The Museum Services Department ensures a safe and welcoming museum experience for visitors and staff alike. Visitor Experience Representatives (VERs) serve as the Henry's frontline staff, and offer exceptional customer service both in the galleries and at the front desk. VERs ensure that visitors follow various museum policies, and monitor exhibition spaces to ensure artwork safety.

COMMITMENT TO EQUITY

The Henry acknowledges the historical structures and social dynamics that have continuously oppressed communities of color and we acknowledge our part in institutional racism. We also acknowledge that we are situated on the land of the Coast Salish peoples.

We are actively committed to racial equity and to building a strong foundation of inclusivity and awareness in all we do. We value discourse that brings forward voices and positions that have been – and continue to be – oppressed. We do not tolerate hate speech or actions.

We recognize that we are in the process of embodying these values across our exhibitions, programs, and operations; this is our ongoing work.

The Henry Art Gallery is a part of the University of Washington. For more information about race and equity at the UW, see washington.edu/raceequity.
